## What students don't know about working with librarians ... we are:

- Friendly and enthusiastic about student research
- Committed to saving students' time
- Happy to meet with students even before they choose a topic
- Skilled at interpreting assignments and planning effective research strategies
- Specialists in a range of fields
- Masters of millions of resources beyond Google

## Options for working with a librarian:

- Walk up to the desk in the IDEA Commons
- Use research guides to identify subject specialists: <http://researchguides.uic.edu>
- Request an appointment online
- Instant message 11am-4pm Mon-Fri
- Email a question
