

Bachelor of Arts in Public Health

Bachelor of Arts in Public Health Spring 2017 Information Sessions

Are you interested in exploring an exciting and interdisciplinary field that aims to improve health at the community level? If so, the Bachelor of Arts in Public Health may be right for you! Please come to an information session to learn more about our program and get your questions answered.

Session topics include:

- What is Public Health?
- General Education and Major Public Health (PUBH) Course Offerings
- Prerequisites to the Major
- Admission Requirements and Application Process
- Public Health Career Opportunities
- Q&A
